# TERMS OF SERVICE

## **Samples originating from within New Zealand**

If a test is for a notifiable organism or a reportable organism Biopacifica Laboratories has a legal requirement to report a positive result immediately to MPI on 0800 80 99 66.

## **Samples originating from outside New Zealand**

Animal samples for testing – must be from clinically healthy animals. Samples collected from clinically unhealthy animals or animals suspected of being at high risk of an exotic disease are not considered an acceptable biosecurity risk and should not be submitted for testing.
